Congratulations!

Our office has been notified by the Office of Financial Aid that you have been approved for a Higher Education Emergency Relief Fund (HEERF) grant in the amount of \$#,###.

Your student account reflects a balance in the amount of \$#,###.##. If you choose to do so, you can use the HEERF award to pay your outstanding balance, if any. Otherwise, the funds can be deposited directly into your bank account within a few days. Please visit the link below to choose which option you prefer. **You must respond no later than December 3, 2021.**

If you are choosing to have the funds deposited into your bank account, it will be necessary for you to validate the bank account information on the Student Account Center under the refund tab. If you are unsure how to do this, please watch this instructional video on how to set up your bank account information: [View Video](#)

If you prefer a paper check, please contact the Bursar's Office at [bursar@bryant.edu](mailto:bursar@bryant.edu) to inform us. Please be aware that there might be a processing delay for a check relative to the direct deposit method, since the paper check process does take longer.

If you have specific questions, you can contact the Bursar's Office at (401) 232-6030 or, by email, at [bursar@bryant.edu](mailto:bursar@bryant.edu).
