Support is available for graduate students seeking off-campus housing. Bryant is just 15 minutes from Providence and is served by free public transportation that runs between campus and downtown. Bryant is easily accessible by car from major highways and there is guaranteed parking on campus for all except first-year undergraduate students.

We know how important great food is to your college experience. That's why this year we welcomed a brand-new dining partner, AVI Fresh. AVI believes in delivering fresh, natural, locally sourced ingredients across campus, from the main dining hall to our small cafes and coffee shops.
